## 10 Days Out Hobart TASafari

This tour starts in **Hobart** and finishes in **Hobart**. **10 Days and 9 Nights** Camping and Walking Tour 2 nights Hostel Accommodation

This tour takes you on a full circuit of Tasmania, beginning with beaches forests mountains of Tasmania's scenic east coast. In the first four days we will visit the Tasman Peninsula and its giant sea cliffs, Freycinet Peninsula where we'll climb up through the hazards to view magical Wineglass Bay. Then venturing further north we will walk through the spectacular Blue Tier mountains and forests, famous for its giant ferns and eucalypts, ending up on the north east coast with arguably some of the world's best beaches at Bay of Fires.

Then the second half of the tour takes us through Tasmania's wild and remote west coast. We aim to stay away from the crowds, from camping in the bush to sleeping beside the ocean under the stars. Enjoy bushwalks through Cradle Mountain, the Tarkine and Lake St Clair. Cross the west coast's Pieman River at Corinna, a remote settlement and camp beside the Southern Ocean. Marvel at Tasmania's tallest waterfall, Montezuma Falls and glow-worms of Marakoopa, drive through Franklin-Gordon Wild Rivers National Park. Visit some of Australia's tallest trees in the Styx Valley.

Each day we participate in bush walks from 1- 5 hours and travel by four-wheel-drive troop carriers, Landrovers or small mini buses which are ideal for small personal groups.
