## 4 Days Out East TASafari

This tour starts in **Hobart** and finishes in **Launceston**. **4 Days and 3 Nights** Camping, Exploring and Walking Tour

In four adventurous days we visit the Tasman Peninsula and its giant sea cliffs, Freycinet Peninsula where we'll climb up through the Hazards to view magical Wineglass Bay, we will walk through the spectacular Blue Tier mountains and forests, famous for its giant ferns and eucalypts, before ending up to the north east coast with arguably some of the world's best beaches at Bay of Fires. If you really want to experience the amazing variety of Tassie's mild side we recommend this 4 Day tour exploring Tasmania's scenic, sunny east coast and hinterland. Stay away from the crowds, enjoy a hike and relax with a camp fire dinner under the stars...

Each day we participate in bush walks from 1- 5 hours and travel by four-wheel-drive troop carriers, Landrovers or small mini buses which are ideal for small personal groups. Each night we experience bush camping and delicious meals with campfire cooking. When we camp we use tents and sleeping mats. We see and appreciate Tasmania's unique wildlife in the wild.
