Trip Notes

realise Wild Tasmania!

Cradle Mountain Wildlife 4 Day TASafari

This tour starts in Launceston and finishes in Launceston. **4 Days and 3 Nights** Camping and Walking Tour

Discover the rare and exotic native wildlife of Tasmania. Using **reference material**, your own **checklists** and a keen eye, explore the country that is the **Cradle Mountain** highlands in a way that exposes new views, uncovers pioneering history and introduces the world of **native fauna** in a way that is most beneficial for its appreciation and survival. This tour starts and finishes in Launceston. Stay away from the crowds on a beautiful private bush property, enjoy a hike, see **wildlife in the wild** and relax with a roast dinner in front of the campfire...

Day 1 (L,D)

Pick up from accom in Launceston at 7:am.

Travel along the base of the **Great Western Tier** – short walks and stunning views

Afternoon walk at **Cradle Mountain** and hopefully see a wombat, wallaby or an echidna in the wild.

Settle into base camp at Black Jack property. Campfire dinner and surrounded by nocturnal wildlife

Day 2 (B,L,D)

A full day walk at Cradle Mountain to discover the world that is home to a range of endemic birds, reptiles, **marsupials** and **monotremes**.

Afternoon explore the meandering trails around our camp – identify animal pads, prints, scats and homes. A couple of hours are put aside to work with Tasmanian Parks and Wildlife Service on their green guardians Program <http://www.parks.tas.gov.au/index.aspx?base=22469>

A well earned dinner feast around the campfire then sleep under bright stars.

Day 3 (B,L,D)

Early walk to the Iris River where we try and glimpse a **platypus**.

Afternoon option to visit **Tasmanian Devil sanctuary** or explore the Cradle Mountain NP visitor centre

Another evening dining by firelight with our nocturnal friends.

Day 4 (B,L)

Pack up and head north. From the highlands to the coast we witness the diversity of Tasmanian habitats **Narawntapu NP** nature walk and a look at coastal habitats and animals that live here.

Lunch and a swim then to the **Tamar Valley** for an afternoon of **tidal wetlands bird watching**

Drop off to accom in Launceston late in the afternoon. (Evening penguin sighting tour option may be available)

Each day we participate in walks from 1- 5 hours and travel by four-wheel-drive troop carriers, mini buses and Landrovers. Each night we experience bush camping and delicious meals with campfire cooking. We use tents or you can sleep under the stars and supply cosy swags and or sleeping mats. We see Tasmania's unique wildlife in the wild.

Tasafari is part of the Green
Guardians Program with the
Tasmanian Parks and Wildlife Service

Our tours are exploratory in nature with a combination of walking, exploring and touring. TASafari place a significant emphasis on running a business and tours that are low impact and sustainable
